**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My old internet service that I had from AT&T did not perform and froze all the time. Since I switched to Sonic have no problems and the speeds of their service is fantastic. We need competition so it is competitive and pricing stays reasonable. In addition, completion brings fiber to our houses and allows for better service, faster speeds, and lower pricing. I pay a third of what I paid to AT&T with service that was unacceptable.
